Practical tools for your life journey

We invite you to a lecture about personal development by Mr. HEZI SHAYB, **Chairman of New Kopel Group**, one of the biggest groups in the automotive industry in Romania and **CEO of OPEL Israel**.

The lecture presents a set of practical tools for personal development and is dedicated to all students and young people that are at the beginning of their life journey.

Mr. Shayb has an incredible personal life journey that led him to success. He has years of service in the **army** as an officer in combat & intelligence missions and he was also the manager of **Hagar Finer**, three times winner of the **Women World Boxing Championship**.

Last year, **Business Magazin Romania** awarded him with the title of „**CEO with the Most Dynamic Growth in Business**”.
