

Change your summer routine, join the AMSE summer school for a unique learning experience in the south of France

AMSE SUMMER SCHOOL

The economics of growth

Date and place July 5 to 7, 2022 in Aix-en-Provence (France)

Language English

Topic The AMSE Summer School 2022 covers recent theories and empirical approaches that economists have designed to study the determinants and the implications of economic growth. Lectures will be given by **Philippe AGHION** (Collège de France and London School of Economics), **Stelios MICHALOPOULOS** (Brown University), **Raouf BOUCEKKINE** (Aix-Marseille University, AMSE and Rennes School of Business) and **Cecilia GARCIA-PEÑALOSA** (CNRS, EHESS, AMSE).

Objectives

- To obtain valuable feedback on your own project in a focused yet relaxed environment
- To engage with peers and with leading experts in the field

Audience Graduate students (Master/PhD), professionals and faculty

[Apply](#) **Key deadline: April 22nd, 2022**
