

THE 15TH EDITION OF THE INTERNATIONAL CONFERENCE THE FUTURE OF EUROPE 24-25 OCTOBER 2024

Organized by
the Faculty of International Business and Economics
of the Bucharest University of Economic Studies

The conference aims to bring together academics and practitioners from all over the world to present research papers, share their knowledge and expertise, as well as to debate ideas in a wide range of thematic areas, including but not limited to:

- a) international business, innovation and competitiveness, digital transformation, supply chain resilience, and sustainability challenges;
- b) EU governance and enlargement, business cycles and economic crises, role of the state, mobility and infrastructure development, finance and banking in the EU, circular economy, climate change economics, green energy, and energy security;
- c) multiculturalism & diversity across the European Union, with particular emphasis on business communication and negotiation, leadership, organizational culture, migration issues.

To accommodate such a variety of topics, the conference is organized around thematic panels, described on the conference site (<https://rei.ase.ro/cercetare/conferinte/foe/#>). New section proposals can also be submitted to the organizing committee.

Official language of the conference is English. Ph.D. candidates are particularly welcome and strongly encouraged to submit papers in line with their research routes.

The submitted papers will undergo a double-blind peer review process. The accepted articles, subject to author registration, payment and presentation, will be published in the conference proceedings volume. The conference proceedings volume will be submitted for indexation in minimum three international databases and to Web of Science – Conference Proceedings Citation Index.

The main scientific partners of the event are: the Association of Faculties of Economics in Romania, the National Bank of Romania, the European Institute of Romania, the National Institute of Economic Research "Costin C. Kirițescu" of the Romanian Academy, the Institute of World Economy, the Institute of Economic Forecasting, and the Financial and Monetary Research Center "Victor Slăvescu".
