## Join our Practice Program – NN Spring Bootcamp!

We're on the hunt for ambitious and motivated students ready to dive into exciting opportunities across **Risk, Investments, Finance, and Marketing**. If you're eager to learn and grow, **this is your chance to shine!** ✨

NN's practice program is your chance to step out of the classroom and into real business challenges!

Join this program to work with industry experts, tackle real-world challenges, and explore various business areas. You'll develop skills in risk analysis, investment strategies, financial fundamentals, learn to discover customer insights, build relevant products, and deliver them through engaging user experiences using innovative methodologies and digital tools. **Get ready to shape your future!** 🚀

### Program details

- **Location:** Bucharest, Romania / Hybrid (on-site & remote)
- **Duration:** 5 weeks (28.04 - 30.05.2025)
- **Start date:** 28.04.2025
- **Application Deadline:** 4 April 2025

### What are we looking for?

**Analytical & Communication Superpowers:** Decode and share complex ideas easily.

🌟 **Curiosity & Cross-Department Adventures:** Dive into different fields and uncover new passions.

🧩 **Detail-Oriented & Problem-Solving Mindset:** Tackle challenges with precision and creativity.

💡 **Teamwork & Collaboration:** Thrive in group settings and achieve common goals.

📈 **Adaptability & Flexibility:** Navigate change and embrace new opportunities.

🌐 **Fluent in English:** Connect effortlessly in an international environment.

### Student at Academy of Economic Studies:

- Faculty of Accounting and Management Information Systems (CIG)
- Faculty of Economic Cybernetics, Statistic and Informatics (CSIE)
- Faculty of Finance and Banking (FABBV)
- Faculty of International Business and Economics (REI)
- Faculty of Marketing

## What will you gain?

- The opportunity to network with top professionals ready to guide and mentor you throughout the program;
- Sharpen your analytical and problem-solving skills through real-world challenges;
- The possibility of working within a prestigious multinational company, leader on the insurance market;
- The opportunity to be part of an organizational culture that promotes flexibility, diversity and inclusion;

## Who we are?

- We are a Top Employer certified company, and we strive to constantly become better for both our clients and employees;
- We value expertise, creative ideas, and curiosity, so you will always find support in implementing new and more efficient ways of working;
- We have great ambitions, so you will have the chance to make a visible impact;
- We help people care for what matters most to them. To fulfil this purpose, we base our work on three values: **care, clear, commit.**

## SOON Ready to join us?

If you're motivated to embark on an exciting journey of discovery, learn and grow, [apply here](#) until **4 April** and take the first step towards your future career!
